

**MASTITIS FARMER
ROADSHOW 2025**

The Mastitis Game Plan: Less Antibiotics, Lower BMSCC, More Milk

Join us for an essential event to boost milk quality,
reduce mastitis and save you money.

What you'll learn:

- ✓ New dry cow changes and how they impact your farm
- ✓ How to reduce your farm's antibiotic usage by >20%
- ✓ Practical tips & tricks to minimise mastitis
- ✓ Take the guess work out of mastitis treatments
- ✓ How to identify and manage *Staph. aureus* in your herd

To RSVP, [click here](#) or scan the QR code.
This highly engaging 1 hour talk is hosted by veterinarians
Dr Steve Cranefield or Dr Katie Saunders.
Nibbles, tea and coffee provided. Limited spaces available.
