# Save Energy On-Farm Workshop

Wednesday 5 March, from 10.30am to 2pm

## Powering Change: Celebrating Taranaki's Rural Energy Successes

Join us on Wednesday 5 March to help celebrate our local successes in energy saving and hear from industry experts, explore practical energy solutions, and discuss the future of rural energy in Taranaki.

### Save Energy On-Farm Workshop

- ▶ Wednesday 5 March  
From 10.30am to 2pm
- ▶ Stratford War Memorial Hall,  
61 – 63 Miranda Street, Stratford
- ▶ Complimentary lunch

### What to expect

- ▶ Practical tools to cut energy costs on your farm
- ▶ Success stories from local farmers and rural professionals
- ▶ Insights from Mike Casey, EECA, Powerco, and more

For more info and to secure your spot, register at [taranakicc.nz/TRE-success](https://taranakicc.nz/TRE-success)

### About the keynote speaker:

## Mike Casey

Mike Casey is a cherry orchardist and entrepreneur who has electrified all the machines on his Central Otago farm. As the CEO of Rewiring Aotearoa, he's on a mission to help New Zealand farmers transition to electric solutions, cut costs, and reduce emissions.
